INFORMATION DISCLOSURE STATEMENT

June 21, 2001
Auburn, Washington 98001

The Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

The references cited on the accompanying List of Disclosure References, copies of which are enclosed, may be material to the examination of the above identified patent application and, therefore, are submitted in compliance with the duty of disclosure as defined in 37 C.F.R. § 1.56. The Examiner is requested to make the citations of official record in the application. The submission of the above references is not to be construed as a representation that an exhaustive search has been made, that additional information material to the application does not exist, or that any of the references either alone or in combination constitute prior art under 35 U.S.C. 102 or 103.

Respectfully submitted,

David L. Lee and Hugh West

REMARKS

The three latest Edwards patents appear to have common specifications. Similarly, the specification of the Power et al. patent has much verbatim material taken from the Power et al article.
